“ THANK YOU will never express our gratitude and Love for what you did for us! It would not be sufficient for all the thought and hard work you put into preparing our wedding ceremony. Our wedding day was so spectacular and spiritually filled – and your inspiration from your Higher Power was truly felt. Not only did your words touch Steve & I, but I believe it made everyone there think and feel about their loved ones, as your words and inspiration touched each and everyone at our service. It expressed every thought and feeling that we have had since the day we met. Also, both Steve’s and my parents had passed on – you made us feel like the spirit of both our parents were right there besides us – a feeling I had not personally felt since I was three. We have been Blessed by your short presence in our lives but it will never be forgotten! Sincerely Yours, Steve & Bonnie
