Most couples have issues throughout their relationships; and it is best to discuss these “hot topics” up front, in a calm and loving manner with the assistance of a Professional Counselor so they are LESS likely to be troublesome in your marital or primary relationship.

These topics include: finances, children, blending of families in a 2nd marriage, prior spousal issues, in-laws, addictions, religious differences, intimacy and sexual preferences or differences to name a few. Call Rev. Riana for your Counseling appointment today.
